The Idaho Section of the American Nuclear Society is currently accepting nominations for the following award categories:

- (a) *Nuclear Outreach Award* -- Intended to recognize outstanding outreach efforts by an individual, group, or organization within the IANS region to promote nuclear related activities.
- (b) *Dedication to the Section* -- Intended to recognize long-term unfaltering dedication to IANS by an individual, group, or organization within the IANS region.
- (c) *Leadership in Nuclear Award* -- Intended to recognize an individual, group, or organization within the IANS region that has led efforts to foster nuclear related activities.
- (d) *Outstanding Student Award* -- Intended to recognize an outstanding student or group of students within the IANS region.

If you would like to nominate an individual, group, or organization, please provide the name and contact information for the nominee as well as a short 1-2 paragraph description outlining the basis for the nomination. Winners are expected to attend the IANS Annual Meeting in Idaho Falls in June 2017 to accept their awards. Current IANS membership isn't required for nominations. These awards are to give recognition to individuals, groups, or organizations within the IANS region. Awards to current or past IANS board members are strongly discouraged.

Please email nominations to the Award Committee at Idahoamericannuclearsociety@gmail.com by Monday, May 15, 2017.
